This yearbook is dedicated to four faculty members who joined this year: Mr. Matthew Boyle, Assistant Principal; Ms. Mary Corcoran, Science Coordinator; Mrs. Ramon deRosas, English Department Head; Mr. James Evans, Athletic Director.

This dedication is the least we can do for these individuals who have given so much of their time and energy to the students of Waltham High School. They have encouraged us to think, to explore new horizons, to set and maintain high standards, and to reach for the stars.

Mr. Boyle, Ms. Corcoran, Mr. deRosas and Mr. Evans - We thank you and hope that we will make you proud of us.

SPORTS

FIGHT, SCORE, WIN!

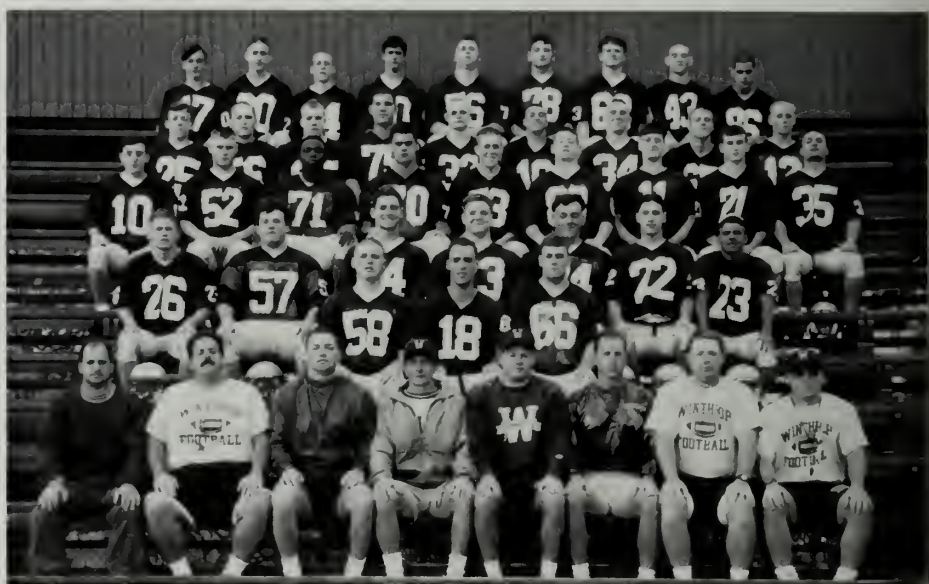

The 1994 Varsity football season was a rebuilding one. The team lost many vital players from last year's graduation, and were therefore forced to accommodate. The team depended on many underclassmen and seniors who had never started before, to fill in key roles.

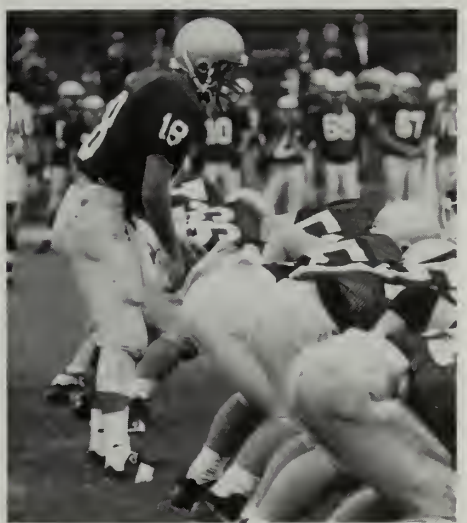

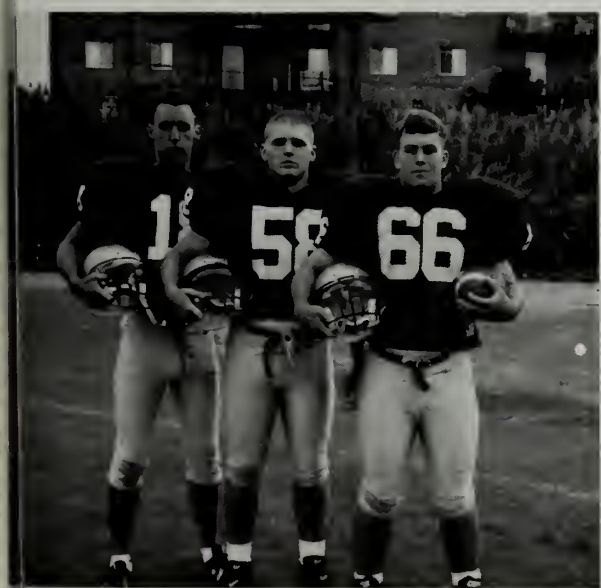

The team began the season strong, beating Saugus, and tying a very strong Gloucester team. However, injuries began to plague the Vikings, and their inexperience hurt them. They lost a close game to Marblehead, and their spirits went down; they were not used to losing. They suffered a tough defeat to Swampscott, but rebounded to post a strong win against Lynn English. They proceeded to lose two consecutive games before beating Lynn Classical. It was then when an undefeated Salem came to Miller Field.

The players, coaches, and fans agree that this was the lowpoint of the season. The Vikings had the team beat, up by fourteen points with only four minutes remaining. However, destiny seemed to be on the side of the Witches; they scored a touchdown, then scored another with four seconds left. With the two-point conversion, Salem won.

The Vikings accredit their success to the dedication and hard work of their players. It was not a winning season, but that does not mean that it was not a successful one. The Vikings showed strong improvement and displayed great potential for the years to come. Congratulations to the team, and to its two All-Stars, Captain Chris Butler, and senior Paul Struzziero.

Even though, the tennis season was not as prosperous as we had hoped it to be, the team definitely had an enjoyable season. It was a team effort of everyone working together to do their very best. The greatest moment of the season was definitely beating Lynn after two tie beating sets 3-2. Our worst moment was then being defeated by Lynn with two tie breaking sets 2-3. It was an extremely challenging season. Coach Domenico always gave the team encouragement and kept reinforcing us to go out there and have fun no matter what. Overall, we are in a tough conference and we tried our hardest to win, along with, having a good time doing it.

Captain, *Robin Murray*

DEFENDING OUR NET

The Girls' Varsity Soccer Team had many obstacles to face for the 1994 season. For starters, the team lost ten players, due to graduation and injury. The team was reduced to two returning starters: junior goalie, Jamie Mazzone and senior sweeper, Katherine Spinney. Along with having nine new starters out on the field, the team had to shuffle players around to make up for numerous injuries. The team was also plagued with inexperience, bringing up nine freshmen players to the varsity level. Next year, the team will miss the strong play of its three senior starters: Erica Towlson (right halfback), Laura Wolfram (left halfback), and Katherine Spinney (sweeper).

Although the team's record was poor, there were many positive aspects coming out of the season as well. For example, the very young team that we had, gained valuable experience due to increased playing time, and showed promising potential for the years to come. With such a large number of underclassmen, the team can only continue to gain knowledge of the sport and improve. The team showed great promise toward the end of the season when they posted an impressive comeback win against a strong Lynn English team, scoring four goals in the second half. This was by far, the high point of the season. Also on the positive side, senior captain, Katherine Spinney made the Northeastern Conference All-Star team, for the second consecutive year.

On behalf of the seniors, I would like to thank everyone for an enjoyable season and wish the underclassmen a successful future. Good luck and thank you!

STRIVING FOR OUR GOALS

When asked to sum up the season in one word, Co-Captain, Craig Matarazzo replied, "disappointing." Despite a losing season by both the varsity and junior varsity teams, Craig along with the other two captains Brian Macrina and Tim Hudd would agree that they were the leaders of a great team. Each player had a lot of fun and always went above and beyond the call of duty. The lack of fans at the games didn't bother them. They played for their own self-satisfaction and still gave 100% every game.

The team's record included five tie decisions which could have been wins. Victories in each of those five games could have sent them to the tournament, which would have been the first time since 1974. One memorable moment of the season was when the team tied Salem one to one, at Salem, with five minutes left in the game. This was the first time that that had happened.

All of the teammates got along extremely well and shared many good times together, even through the rough times. With the graduation of the seniors, next year's team will be a young one, but they are very aggressive. The captains and seniors would like to wish the team good luck and success.

GOING THE DISTANCE

What the 1994 Viking harriers lacked in numbers and experience, they made up for with guts and determination. With an incredibly low turnout, as well as only two runners with a year or more of running, Coach Patricia McGee's team seemed bound for its second winless season since 1992. Competing with the bare minimum of five runners and receiving literally no spectator support at any home meets, the cross country team managed a hard-fought season of 1-8. Senior captain Sean Keyes, running in his fourth year on the squad, led the way as the Vikings' top runner with six 2nd place finishes and a 1st place finish during the team's only win against the Marblehead Magicians. Keyes' best time of 15:20 on the Winthrop Highlands 2.8 mile cross-country course was more than four minutes off his time as a junior. Senior Kevin Sean Mahoney, the "Whiz-Kid", chopped a full minute off his best time on the hilly course from last year after a rigorous summertime running regimen. Sophomore Joey Long, having no previous experience in distance running, provided some much needed support as the team's No. 4 finisher. Senior Stephen Douglas, also having had no previous experience, consistently cut minutes off his PR as the "anchor" runner. As the Viking's No. 2 harrier with a personal best time of 16:21, the presence of Freshman Ricky O'Brien will undoubtedly give the cross country team some high expectations for the next three years.

Cross country is a hard sport but a rewarding one. When we ran our first meet, nobody really thought that we would do well. However, winning three meets made us feel like our hard work was finally paying off.

The worst moment of the season was realizing that only six girls on a team was not enough. It was then that we realized that the six of us had to work together as one. My overall feeling of the season was that we came far with the little that we had. We worked hard everyday and tried to help one another as well as ourselves. This team, like most of the other sports teams, was a rebuilding team. Next year, we will be more competitive and in better shape for the season. The word which would sum up the season is "work".

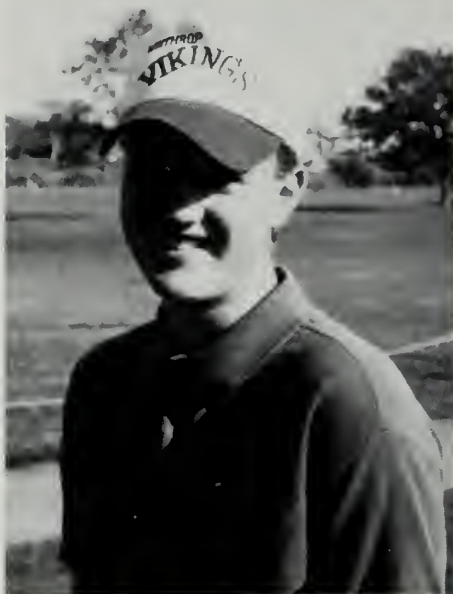

People who went above and beyond were Jen Williams and Janelle Muldoon. They both contributed much to the team. Next year is going to be promising with these two on the team. K. Palizzolo was a freshman who never quit and was always willing to work hard. As for myself, Leonora, and Lauren, we were all on the team the year before. We knew the ropes, so we all worked together, and I must say, we improved.

Our toughest meet was Saugus. We were near the end of the season, people's legs were sore, we lost Leonora, and a few people had shin splits; but we never quit. When thinking back on the season, I think of the "trackwork" we had to do. Mr. Keegan was always understanding and did all he could for us. Thanks, coach. We gave it our best; we know you gave yours.

It was a great season for the Winthrop High School Golf team. They came in first in the Northeastern Conference and came in fourth place in the State Tournament in Brookline. There were some star players who went above and beyond the expectations of the team, including: freshman Pat Lally, and junior Jason Calla. They were both first year players. Jason played in the number three and four position and Patrick played in the number five and six spot; they had two of the best records on the team, and without them, the team would not have won the conference.

The greatest moment of the 1994 season was when the team found out that Beverly, their toughest opposition, had lost to Swampscott. This meant that Winthrop only had to win their last two matches to win the conference crown. The last time the golf team won the championship was twenty years ago. Also, congratulations to George McGrath, Captain, for being elected to the N.E.C. All-Star team.

With almost all of the starters returning next year, the team is confident that they will win the conference again. Unfortunately, they are losing senior Mike Reinold, who proved to be a great asset to the team. However, if Coach Guarino does as an effective job recruiting new players and coaching next year, the 1995 season will be a great success. Congratulations for working hard and accomplishing the goal of winning the conference!

This year's hockey team had a few difficult games but played well with a record of eight wins and six losses. Their most disappointing game was against Saugus when they were losing four to nothing in the first period, but in the second period, Winthrop managed to pull through and score four goals. Unfortunately, with twenty six seconds left in the second period, Saugus scored a goal and won the game.

The most memorable game this season was against Beverly when Winthrop had a landslide victory of eight to one. Though Winthrop was predicted to win anyway, the whole team played extraordinarily. In contrast, the least memorable game was against Gloucester with a score of twelve to two; however, Gloucester was ranked number one in division two.

Outstanding players this season were Assistant Captain Brook Geraghty, who scored a total of thirty three points, Jason Calla with thirty two points, and Michael Palmer with thirty points. Also, the leading scorers for the defense were the "Dynamic Duo" Captain Dan Spinale and Assistant Captain John DeCost. The "Unsung Hero" for this season was Fred Ferrara.

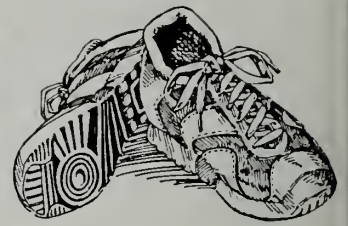

Captain Dan Spinale predicts, "Next season the forwards will remain strong and the defense will be led by Jimmy Clark and Robert Boncore." Also, "the goalie, Jaffrie Perrotti, is still young and will prove to be a great asset to the team."

The first thing that comes to mind when thinking about Boys' Indoor Track is Coach Pat McGee. She's one tough coach who is always ready to fight for her team. She believes in commitment, loyalty and if possible, perfect attendance. Don't be mistaken by her facade of a sweet, soft spoken woman who gets her hair done once a week. She has brought many a rebellious athlete to his knees with just a glance. Sure, she enjoys her tea like any proper Bostonian, however she drinks it from a fifteen pound thermos made from an authentic World War II bombshell which can at any given time be dropped on someones toes.

Advice to next years team is be ready, willing and able to practice at any time and trust in your coach because she is one person who will never steer you wrong.

Although not very victorious, the girls indoor track season proved admirable. There was a great turnout of participating girls and each one displayed great dedication, endurance, and effort- all the characteristics of a fine athlete.

Not only did they try to excel on a personal basis, but also as a team. The team will lose two very prominent members- Captains Erica Towlson and Jackie Greuling, but there is a lot of potential to be found in the up and coming classes. With a little more experience, (along with some guidance from Coach Keegan) next year will prove more successful.

Driving through pressure.

Taking it to the hole.

The boys' basketball 1994-1995 season was successful, incredible, and remarkable. They were expected to be decent but this team surpassed the expectations of everyone- everyone that is, except themselves. They were confident that they could succeed and with their hard work and dedication, they did just that. They were a strong, competitive club. They only had two regular season losses both to Salem, the number two team in the state.

The Viking team was comprised of many skillful players. Many people helped to contribute to this team's success. There were six seniors whom the team will miss greatly next year. Paul Struzziero was a strong three-point shooter, Todd Doherty and David Lynch were both great contributing starters, and Robbie Crowell, Danny Davis, and Ignacio Oyola were a tremendous help off the bench. Sophomore Lawone Bennett and Juniors Anthony Poto and James Bono also played valuable minutes for the team. Junior Russell Howell, Sophomores Joey Long and Robert Doherty, and Freshman Ricky O'Brien all gained experience playing at the Varsity level. Congratulations to all of them on a successful and well-deserved season.

Hey, guys, what's up?

I didn't do it- I swear!

This year's girls' varsity basketball team had to adjust to a losing season for the first time in the player's careers. The girls were used to Boston Garden appearances and conference championships; not making the tournament was something none of us were prepared for. However, we worked hard at practice and gave forth our best efforts in the games. Although we did not always win, we were proud of the work we had put into the season and the feeling of satisfaction that we got out of it. Wins and losses are not always a good judge of performance. With only one starter coming back and only one other senior, the team was deeply hurt by inexperience.

The team was made up of Co-Captain Senior starters, Laura Wolfram, who was the team's leading scorer, and Katherine Spinney. Also filling in starting roles throughout the season were point guard Veronica Sanford, Junior guard Shara Geraghty, Junior center, Rachel Gray, and freshman Kerri Lally. Other contributors were juniors Jamie Mazzone, Natalie Bono, and Jill Gunther, and freshmen Margo Souza. The Varsity Team was also helped out by Junior Varsity players Megan Gray, Kim Lepke, Michelle Buonopane, and Lori Arena. The best win of the season came against the first place Lynn English Bulldogs. The Vikings started off the second half of the season with this inspirational win over the conference champions. The toughest loss of the season came against the Lynn Classical Rams who beat us by one point right at the buzzer.

Thanks to all the girls on the team, and to Coach Spinney. Best of luck to everyone next year!

The 1994-1995 gymnastics team experienced its largest turnout of eighteen members. This year's record was four wins and four losses; however, it was a success considering a few of the teammates suffered from injuries and the tough competition. Whether the score was for their benefit or not, the team always kept their spirits and hopes high. The season proved to be beneficial to all who participated.

Elizabeth Lally and Kim Russo competed in all the events and were the leading scorers for the team. Justine Pedoto, a senior and four year member of the gymnastics team, was this year's captain. She proved to be an asset to the team by possessing leadership and determination. Thanks to Coach Gobel for completing another great season!
